

## **2025 – 2026 ULLR Board Candidates**

### **Kyle McClintick Co-President**

**I am looking forward to being a candidate for the position of ULLR Co-President for 2025-2026.**

**In 2017, I joined ULLR's and immediately found a group of very active adults. Being Winter Program VP for the past 2 years has given me insight into the dedication of the members as well as the hard work it takes to keep this club moving forward.**

### **Nancy Navis Co-President**

**My husband and I joined ULLR in the summer of 2015. I was going to retire in December and wanted to stay involved with**

**outside activities such as those that ULLR offered. Since joining, we have enjoyed biking, hiking, snowshoeing and skiing as well as club picnics. Consequently, we have met so many great people in this club.**

**My club activities have included serving as the Secretary for the Board and VP of Winter Activities, both of which were for two years. I am now asking for your consideration for ULLR club co-president.**

## Executive Vice President - Position Currently Open

### **Marcia Switenki** **Secretary**

I have been a member of ULLR Ski, Bike, and Social Club since the late 80s. In my first year with the club, I joined the bicycling group. I biked in culottes, sandals and no helmet! The bike program has improved since then and so has my ability as a bicyclist.

I have previously served on the ULLR Board as Membership VP. Since that time I have been on the board of my townhouse association for 9 years. I am also a member of the MN Herb Society, giving hours of volunteer time to the Arboretum. I am also a member of the Minneapolis branch of American Association of University Women.

ULLR can only continue to offer all its wonderful programs if we all give a bit more of our time. I am therefore honored to be a candidate for Board Secretary 2025-2026.

### **Carol Bush** **Treasurer**

I've been the Treasurer for the past seven years. I know the routine by now, so let's make it eight.

## **Karen Holmquist**

### **Winter Programs VP**

**I joined ULLR Ski, Bike & Social in 1984. I was interested in finding a group to not only ski with, but also to bike with and to**

**participate in social activities. I soon learned that hiking and snowshoeing were also a part of the fun outdoor ULLR activities.**

**I first served on the ULLR Board as Membership VP when ULLR had over 1,000 members! I soon began chairing western and local ski trips, western and local summer activities and social events. In 1989, I was elected President, a time when we actually campaigned to be elected to offices. Throughout the years, I have continued to serve on the ULLR Board, and to chair winter, summer and social events.**

**It has been a privilege to meet so many of the ULLR family who have become lifelong friends. Thank you for your consideration for the office of Winter Programs VP.**

## **David Sieving**

### **Summer Programs VP**

**I should be on the board because it needs more men. Why should women do all the work? I was an officer in and ran trips for Elan Vital**

**Ski Club and I had a major role in organizing a Midwest tandem rally for The Twin Cities Tandem Club, so I have experience working with clubs.**

**I have a passion for cycling, not only for riding, but also maintaining my collection of 15 bicycles.**

**With the expert guidance of the other members of the board, I believe I can help Ullr reach its goals. I appreciate your support for the position of Summer Programs VP.**

**Patty Fitzgerald**  
**Membership VP**

I have been a member of ULLR since the mid 1990's. I joined because I wanted to get back into downhill skiing, but I quickly discovered that ULLR's like all sorts of outdoor adventures. I joined others in hiking, biking, snow-shoeing and cultural activities. I have many good friends in the club and ULLR is my second family.

I have served on the Ullr board as Summer VP, Membership VP and President and Past President. I feel that we all need to share our time and talents to keep our club vibrant. I hope you will support my reelection to ULLR Membership VP.
