

Hike, Ski, Bike, Sled or Snowshoe on Lake Minnetonka

Wednesday February 4, 2026

Lake ice is very safe and flat at this time of year.

The City of Wayzata plows roads on the ice for cars and trucks to use during their annual

Chilli Open Golf Tournament.

There are also numerous snowmobile tracks to follow.

We will start from the Wayzata Beach parking lot

294 Grove Lane E, Wayzata MN

Meet at 10:15 AM, Hike at 10:30 AM

It will be cold and windy, and dress warm. Wear sunglasses for the glare. Use poles for balance. Hike in boots, snowshoes, cross country skis, fat tire bikes or sleds If you want to haul a friend or lunch.

The terrain is flat of course but may be a little chunky so bring the sticks. If the ice is not safe, we can walk on the new boardwalk which is called The Lake Walk, hike through local neighborhoods, hike on local bike paths, or downtown Wayzata.

If it is too cold, we can meet for coffee or hot chocolate.

Lunch TBD. RSVP: Dan Regan Cell 763-645-9708

In case of inclement weather, or to verify that the event is not canceled, contact the chairperson.
